A Happy HiLife Christmas ... made with turkey!

While the family gathers around the Christmas turkey, why not share the festive fun with your cat or dog by giving them HiLife complete foods made with turkey – and be sure you're giving them good nutrition, a variety of great tastes and the highest quality ingredients at the same time.

From our top-selling dog food range, HiLife Complete Moist, we recommend 'Rich in Turkey & Chicken, flavoured with Bacon'. It's carefully formulated to aid the digestive process, promote growth and muscle development, provide energy, encourage strong teeth and healthy bones, skin, eyes and coat AND contains no artificial colours!

Cats love HiLife 60% Turkey & Chicken in a 100g pouch. It's packed with succulent pieces of tender poultry in a soft jelly that will absolutely make your cat's Christmas. The only other additional ingredients are easily digestible, low allergen and natural, providing high quality protein, vitamins and minerals, Omega 3 and 6 fatty acids, an antioxidant and a prebiotic to aid to digestion.

Or there's the delicious HiLife Petit Pâté Turkey & Giblets Pâté in a handy 85g can where real poultry and other highest quality meat ingredients are combined into a smooth pâté your cat will adore.

HiLife foods made with turkey are widely available. See the respective product pages on this site for more details.
