Two New Varieties for HiLife Prestige Pouch Range

Town & Country Petfoods has introduced two new varieties to its HiLife Prestige dog food pouch range. 'Cuts of Chicken with Beef' and 'Cuts of Chicken with Vegetables' in 150g pouches now make up The Chicken Collection multipack as well as being made available as singles.

Complete foods, they are hand-prepared using high proportions of gently cooked, bite-sized cuts of chicken with garden vegetables or tender beef together with just the right blend of vitamins, minerals and sunflower oil to give an adult dog a healthy, balanced diet. They contain no artificial colours, flavours or preservatives.
