A Perfectly Premium Treat for Christmas...

Finding the right gift and the right food for everyone to enjoy at Christmas can make for a stressful time to say the least! This year, let HiLife take at least some of your worries away. Whether a dog or cat owner HiLife offers delicious treat food for your pets so you can be sure they are enjoying their Christmas as much as you are.

For cats, HiLife Perfection is available in cans or pouches and comes in a number of varieties to give your cat a treat they're sure to enjoy. In the cans you can choose from Tender chicken with Pork, Tuna Wholemeat with Seafood or Seasonal Flakes Fish with Shrimps. In the pouches, select from Tuna Wholemeat with Calamari or Chicken Flakes with Beef. Your cats will love it and what's more, they'll love you for treating them this Christmas!

Now something for special dogs! HiLife Prestige is hand-prepared using the finest ingredients: gently cooked, bite-sized cuts of chicken and just the right blend of vitamins, minerals and natural oils to give your adult dog a healthy, balanced diet. Choose from Cuts of Chicken with Vegetables or Cuts of Chicken with Beef. And there are absolutely no artificial colours, flavours or preservatives!

You'll find full details of HiLife Perfection and Prestige on this website.
