### A Royal Celebration for All the Family ...

The forthcoming Royal wedding will be considered a day of celebration for millions around the globe. With an extra day's holiday preparations are being made for a day of entertainment and excitement that suits such a royal event. This should involve some of the best quality food, but with all the excitement be sure not to forget all your family members – your pets! HiLife has some best quality ideas for your pet to try...

There's HiLife Prestige Pouch for your dog. A delicious meal for your dog which comes in two varieties; 'Cuts of Chicken with Beef' and 'Cuts of Chicken with Vegetables'. The HiLife Prestige range is hand-prepared using high proportions of gently cooked, bite-sized cuts of chicken with garden vegetables or tender beef together with just the right blend of vitamins, minerals and sunflower oil to give your dog a healthy, balanced diet. They contain no artificial colours, flavours or preservatives.

And there's HiLife Perfection for your cat. There's delicious Tender Chicken with Pork, Seasonal Flaked Fish with Shrimp, Tuna Wholemeat with Seafood. They're in convenient 80g single-serve cans and they are the closest there is to the food we eat ourselves. In fact, they're made with real meat and real fish of a quality that could just as easily be on a person's dinner plate. And there are no added cereals or artificial additives.

You'll find more full details of HiLife Prestige and Perfection ... on this website.
