Some Seasonal Fun to Chew Over ...

With another wonderful Monday bank holiday on its way, the whole family will have another chance to relax and unwind, and hopefully enjoy even more sunshine. Never ones to leave out the family pet HiLife has created HiLife Seasonal Chews for your dog this season – specially designed in the shape of Sausage Rolls for the Summer.

HiLife Chewsdays Rawhide Chews are not only great fun for your dog; they are also highly digestible and promote dental health by helping to keep tartar and plaque build-up under control. They are also wheat-gluten free.

HiLife has also created HiLife Chewsdays Chicken Drumsticks for later in the year and will have even more fun and tasty treats for your dog available over the coming months. So keep an eye on this website for more details
