### Completely Natural Ingredients for Cats with HiLife's New Nature's Essentials

Cat lovers everywhere can offer their pets all the benefits of completely natural ingredients with HiLife's completely new Nature's Essentials range. HiLife Nature's Essentials for cats includes Kitten, Adult and Senior multipacks, each containing eight 85g pouches while selected recipes are also available as 85g singles. The range has been created to offer natural, hypo-allergenic, wheat gluten free foods for every stage of a cat's life, with recipes that are delicious and nutritious whilst avoiding ingredients commonly known to cause allergies and intolerances. The range is exclusively available from specialist pet shops.

You'll find more details of HiLife's Nature's Essentials for cats at [www.hilifepet.co.uk](http://www.hilifepet.co.uk).
